

The RACE Qualifying Format

#1 - #15

Starting positions will be determined through time trials.

#16 - #30

Starting positions will be determined through qualifying races. Number of cars, laps and qualifying positions per event will be determined by number of competitors entered and signed in for competition.

#31 - #32

Starting positions will be determined through last chance events.

NOTE:

ALL cars attempting to qualify are eligible for starting positions #1 through #32.

Provisional positions will be assigned from #33 position and higher

Any provisional positions will be assigned to qualified DRIVERS that have fulfilled all posted requirements and make EVERY possible qualifying event for this event.

Post time trial redraw for the top ten qualifiers will establish feature event starting line up for those given positions. All other positions will start in qualified position.

Pit road stall assignments to be determined by qualifying position.
